- A local complete service for digitizing Audio, Video and Photographic Media
- All work fully guaranteed.
- Digitized files returned either on DVD or Flash drive
- All original media returned or discarded as desired
- Photos, Slides, Video reprocessed for best restoration of original color and saturation.
- Audio files reprocessed to reduce background noise and increase volume if needed.
- Restoration of damaged photos or slides available at an extra charge.
- Media may be dropped off locally or sent via any carrier (FedEx, UPS etc) with full cost of shipping deducted from final invoice. (In other words no charge for shipping)
- Order form should be printed out, filled out and one copy included with materials and the other sent to Digmymedia by email Digmymedia@gmail.com
- Please include copy of shipping receipt in or on shipment
